The screenshot shows the WPS PDF to Word Converter application window. The title bar reads "WPS PDF to Word Converter" and includes a "Sign in" button. The main interface has a purple header with navigation tabs: "PDF to Word", "PDF Split", and "PDF Merge". There is an orange "+ Add a file" button and links for "Help", "Customer Service", and "Settings". Below the header is a table with columns: "File name", "Pages", "Page range", "Status", and "Operation". The table contains one entry: "business.pdf" with 1 page and a page range of 1 to 1. Below the table, there are options for "Save as type" (set to "Native DOC") and "Save as location" (set to "Save to the same location as the PDF file"). A green "Start" button is located at the bottom right.
